

## Appendix 2 Self Evaluation Checklist

### Grading Scale:

- 3 = Strength      There is plentiful evidence to indicate that achievement in this area is above average. This is an example of good practice which should be disseminated.
- 2 = Acceptable      There is evidence that achievement in this area meets expectations. With further development, this could become an area of strength
- 1 = For Improvement      There is little or no evidence that achievement in this area meets expectations. Improvement is needed.
